

John Jay Booster Club Minutes 10/4/23
Call to Order

President's Report

Homecoming this past weekend - Car show got rained out so 11am start.
Snack shack and merchandise manned throughout the day - \$10,000 in revenue (without expenses) - expecting to net \$7,500-\$8,000.

10/13 Senior class has asked to take over snack shack
Hall of Fame game on the 21st

Additional merchandise coming - pink for breast cancer awareness

3 Fundraisers looking to tackle:

Wizards - December 17th (earliest possible time)

Poker Tournament - (Spring 2024) - Lead TBD (location offered)

Golf Outing (Spring/Summer 2024 (John Swertfager heading up)

Additional Ideas welcome:

Self Defense Class

Meals on Wheels Raffle

Open Leadership Positions:

Membership - Need help figuring out some new tiers and how to optimize

JayFest - Looking for someone to lead this effort

Year end recognition ...separate golf outing from the all section dinner - Looking for someone to head up that separate event

Community Sign is starting to show its age.

Looking to see if someone may be able to rebuild/refresh it - possibly hand over to Eagle Scout looking for a project.

Treasurer report (Jen)

Motion to move \$60,000 from checking to the scoreboard fund (this is primarily fundraising dollars from previous year)

Getting a handle on the operating budget this week

AD Report

Car Show will eventually be successful and bring a new element to the campus

High source of revenue as well

Speaker System has been fixed - the rain is what caused the problem - simple fix

Banner project is finally complete - shout out to Ashley Murphy. Banners came down in 2009 - amazing to have them return and be back up in the gymnasium. Retired numbers still need to be modified to "John Jay Cross River" - there will not be a delineation between Indians and Wolves.

Next push is "Hall of Fame" - will look for additional committee outside of the Booster Club

All State plaques are now prominently displayed - lighting still to come

Most challenging start to a year in 22 years - Extreme heat to crazy storms/flooding. Wild weather along with the current transportation scenario - have buses, but no drivers.

Officials are also at a level never seen before - Soccer officials in particular. Expect next year to be worse - at the mercy of Section 1. Basketball is expecting to follow suit.

Move to Adjourn

Seconded

Meeting Adjourned
